MESSAGE FROM THE PRINCIPAL

As Christians, there are numerous principles from the Bible that we acknowledge and attempt to live by. One of those is *knowing* that God has good plans for us (Jeremiah 29:11). So, when our lives get messy, and *our* plans go south, what we *know* and *believe* is put to the test.

“We see only the present moment;
God sees everything.
We see only part of what He is doing;
He sees it all.”

-Billy Graham.

When we watch a football game on TV, we only see the play that is occurring around the ball. What we are missing to observe is all the work that goes on around the field to set up and prepare for the play to take place. If we are fortunate enough to be watching a game in person and get ideal seats where we are able to view the entire field, then we see *all* the action, before, during and after every contest.

We only see a small part of the picture.
We need to trust the One who sees everything
and has all things at His command.

In life, especially when our plans aren't working out particularly how we would like them to, we are only aware of what's happening to us, we cannot see the big picture. When we are only focussed inwardly, we are not able to see all the plays that God is orchestrating beyond our view point.

This is where our trust is challenged,
and our faith is put to the test.

Do we really believe God has good plans for us, even when the plans we've made go up in smoke? Then, in the midst of the smoke, do we genuinely believe God will bring good from it?

*‘That’s why we can be so sure
that every detail in our lives of love for God
is worked into something good.’*

Romans 8:28 (MSG)

*‘For I know the plans I have for you, says the Lord.
They are plans for good and not for evil,
to give you a future and a hope.’*

KINDER - YEAR 10 PARENT TEACHER INTERVIEWS

Thursday 1 July 2021

Kinder to Year 10 Midyear Reports will be sent home with students during Week 9 of this Term. Parent Teacher appointments are now open and may be made online by visiting www.schoolinterviews.com.au

Codes are as follows:

Primary: jk926

Secondary (Year 7-10 only): ffvwe

Please note that Year 11/12 Reports are not issued until the start of Term 3. Parent Teacher details will be advised closer to that time.

Please phone the School Office on 6425 0999 if you have any difficulties with this process or if you do not have Internet access and require Administration staff to assist you in making appointments.

PARKING ON LEIGHLANDS AVENUE

A reminder to please avoid parking too close to our neighbours' driveways if parking on Leighlands Avenue as this can cause some difficulty when trying to exit or enter their properties.

We realise that it can be difficult to find parking spots at times but if you would be mindful of keeping driveways totally clear, it would be greatly appreciated.

ALL SCHOOLS SECONDARY CROSS COUNTRY CHAMPIONSHIP

Congratulations to all our athletes who represented Leighland at the Cross Country Championships. Three of our students have been successful in achieving an invite to represent Tasmania at the upcoming National Championship in Adelaide.

WORK EXPERIENCE

Year 10 Work Experience: 30 August - 3 September 2021

Thank you to parents and students who have already returned forms with details for preferred placements for me to work through. A gentle reminder to parents and students yet to complete the form. If you are struggling to identify a placement suitable for your child, please contact me through the School Office on 6425 0999 to arrange a time to meet and discuss possibilities.

Dianna de Deuge

Work Experience Coordinator

MANUFACTURING AND FABRICATION WORKSHOP

Our Year 9 students participated in a simulated careers education activity this week regarding Manufacturing and Fabrication to raise awareness of skills and occupations in the Industry.

KINDER 2021 - CURRENT FAMILIES

If you are a current Leighland family and will have a child for Kinder next year, it would be greatly appreciated if you would lodge enrolment forms as soon as possible please to assist with planning and to help in ascertaining vacancies available for next year. Enrolment forms are required for each child ie siblings are not automatically enrolled. It is not compulsory for current families to have an enrolment interview with the Principal, but please contact me on 6425 0999 or email m.mott@leighland.tas.edu.au if you wish to do so or if you would like enrolment forms.

Thank you to those families who have submitted their enrolment forms.

Melinda Mott, Registrar

LOST PROPERTY

The end of Term 2 is drawing near and our lost property bins are overflowing! Please check your child's uniform and lunch items and ensure that you have everything with which you started the Term! If you have anything missing, please come to the Office to have a look. We love to reunite lost items with their owners. Please remember to clearly name all items, no matter how small.

Anything not claimed by the end of the Term will be either sold as preloved or donated to a local charity.

LAUNCHING

Leighland in Community

Thank you to all those who took the time to contribute to the surveys and who provided feedback at our consultation sessions or through our CRO. We have spent considerable time reviewing your comments and suggestions on the draft documents and have made some changes in line with feedback received. **We are now pleased to launch LinC!**

TIMELINE FOR OFFICIAL LAUNCH > > > >

**17 - 25
JUNE**

A brochure and form will be sent home to all our School families for your perusal and consideration. We encourage you to take some time to consider your available time, skills, giftings and interests as you look through the brochure to decide where you would like to volunteer.

PLEASE FILL IN YOUR FORM AND DROP IT IN OUR LINC BOXES, AVAILABLE AT BOTH CAMPUSES AT THE MAIN OFFICE.

**28 JUNE
- 2 JULY**

Committee Coordinators will then be contacted, and a Coordinator meeting set up with the Community Relations Officer and Principal to commence talking about school priorities, communication methods, meeting schedule, funding, and to answer any further questions. Committee Coordinators will then contact their new members to arrange a time to meet. Names of Coordinators will be released for the School Community via the newsletter.

**5 - 9
JULY**

Our Committees will have their first meetings, with the Community Relations Officer in attendance to answer any questions. The individual committees will then begin making plans, setting priorities and taking action, ready for commencement in Term 3.

WHAT IF I CAN'T JOIN A COMMITTEE BUT HAVE A SUGGESTION?

Suggestions and ideas are always welcome. Please feel free to email our Community Relations Officer and she will pass your suggestions on to the relevant committee, with an understanding that priorities are set by the Principals in alignment with School priorities & needs.

Our CRO, Tamara is happy to help you find the perfect committee to join!
t.grey@leighland.tas.edu.au | 0499433088

YOUR QUESTIONS ANSWERED!

HOW LONG IS MY COMMITMENT?

LinC Coordinators and Committee members are only committing to 1 year; there is no expectation for you to be involved after that, but we certainly hope you will want to!

CAN I JOIN MORE THAN ONE COMMITTEE?

You are welcome to join as many Committees as you like, and if you have children on both campuses, you are also most welcome to join one or more on both!

WHAT IF I JUST WANT TO DO ONE THING? (EG, MAN THE BBQ)

That is absolutely fine! Simply let us know on your form and we will ensure you are invited to participate in your area of interest.

WHAT IF I WANT TO BE INVOLVED IN SOMETHING NOT LISTED?

We are interested in creating spaces for everyone to be involved, please let us know what would work for you, and we will do our best to connect you in!

MISSION

LinC's mission is to serve and connect the School community.

The parent body partners with the wider school community, including students and teachers, to help foster a loving, inclusive and engaged community. LinC is actively involved in the life of the School through a wide range of projects and events that are conducted around a Christ-centred approach, where love, support, grace and encouragement of others is evident and inviting.

STRUCTURE

The Schools' CRO (Community Relations Officer) is the main contact person for each of the Committee Coordinators and the Campus Treasurer. They are supported by the Principals, who have final veto on the decisions made and the funded projects for their campus.

LinC consists of a set of Committees that parents and guardians can elect to join, depending on where their individual gifts and talents lie. The Committees will be published each year, through an EdSmart form, which then allows parents and guardians to select the areas that they would like to contribute to.

Each Committee will have a Coordinator, that is appointed by the Campus Principal in consultation with the CRO and those interested in the position. Leighland Christian School believes everyone has a God given ability to show love and grace to the School community and beyond, through active, planned and enthusiastic contributions. We encourage everyone to become part of one of the Committees.

There will be a Treasurer appointed on both the Ulverstone and Burnie Campuses by the Campus Principal. All fundraising and purchases/use of the monies raised will be announced to the School community. Training is also provided to support and equip this position. The Treasurer will demonstrate leadership qualities and an ability to work with a team of parents and guardians to see the School community grow and flourish. They can also be a Committee Coordinator if they would like to hold both positions.

HOW TO SIGN UP

Firstly, we are thrilled that you are interested in joining a Committee (or two!) to serve our School Community.

Please feel free to fill in the smaller form that was included inside this brochure and return it to the School Office. Our Community Relations Officer, Tamara Grey will be in touch.

FOSTERING AN INCLUSIVE AND ENGAGED COMMUNITY

Leighland
CHRISTIAN SCHOOL

WHAT IS LINC?

LinC's key task is to provide our families with opportunities to connect, to contribute and to feel a valued part of the School community, across both campuses.

At Leighland Christian School, one of our foundational beliefs is that we are in partnership with the parents and guardians in the education of their children, as we actively look for opportunities to work together.

LinC and its branched Committees will operate in harmony with each other to provide all parents and guardians the opportunity to be more fully engaged with the School community. We appreciate that strong, positive relationships need to exist between home and school, and that this harmonious relationship is in the best interest of the children in our schools.

MEETINGS & EVENTS

There is one meeting a term with the Principal, CRO, Committee Coordinators and any others who may be interested in attending.

A meeting agenda, including a devotional message and reports by the Committee Coordinators will be given, either verbally or in written form, if they are not able to attend. Committee meetings will be held when a relevant event is coming up, or as needed.

Community Catch-ups are held on both campuses twice a term with the CRO (Community Relations Officer) to provide opportunities for parents and guardians to connect with each other in a casual and relaxed way.

All meetings are advertised on the school's social media pages and in the newsletter. Parents and guardians who are not Committee Members are always welcome at these meetings.

Committee Coordinators are published at the start of the school year so that parents and guardians can make contact with them over the course of the year.

New committee members are always welcomed and encouraged at any time of the year.

JOIN A COMMITTEE

THE FAIR COMMITTEE

Time commitment: Once every two years.

This group of people will work with the Principal, Administrative staff and the CRO to plan and deliver the school fair on their relevant campus.

Fairs are held alternate years at Ulverstone and Burnie. Responsibilities could include set up, pack up, manning a stall, collecting donations, setting the theme and enlisting parent and guardian help.

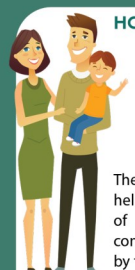

SPECIAL EVENTS COMMITTEE

Time commitment: Several opportunities to serve over the course of the year

Includes, but is not limited to: Mother's Day, Father's Day, Social Events, coaching sporting teams

This Committee operates to run special events. There are events that fall once or twice a year that would see members sharing ideas for activities, cooking, or making things for that event. We also welcome ideas from this group in running social events for students or coaching sporting teams.

HOSPITALITY COMMITTEE

Time commitment: As needed over the course of the year

Includes, but is not limited to: BBQ's, Barista, Morning teas, canteen help and hot lunches (Burnie only), Special Meals.

The Hospitality Committee would offer practical help and support at school events. To be part of this Committee all members will need to complete a Safe Food Handling course (provided by the school). This Committee may also prepare and cook meals for families in need.

BOOK CLUB & FAIR COMMITTEE

Time Commitment:

Book Club (once a term) This involves collating orders, distributing catalogues etc.

Book Fair (once a year) Committee members would order resources, set up and run the Book Fair for one week. They would offer to assist with serving the children each morning and afternoon to ensure that all members of the School have access to the Fair. Members would then determine, with the Principal, where the money raised will be spent and what resources will be purchased from the funds raised.

WELCOMING COMMITTEE

Time commitment: At the start of the school year and as new families arrive

Those who form this Committee will actively seek out new families in the School and look for ways to integrate them on their campus. They may offer a play date, a coffee catch up, deliver a welcome pack, invite them to events such as the Community Catch Up's and introduce them to other parents or guardians in the School.

Speech Pathology Tasmania invites parents, grand-parents, and carers to join facilitator Rosie Martin for the [Circle Of Security Program](#) via telepresence.

The program is delivered in a small group setting, each week for 8 weeks, via zoom.

We have 2 upcoming groups on offer, both at times when children might be sleeping:

- **Tuesday evenings 8pm-9:30pm | July 27 – Sept 14**
- **Friday mornings 5:45am-7:15am | July 30 – Sept 17**

Circle Of Security is a parent-child attachment program which supports the relational base of language and social skills. Research shows that secure children exhibit:

- Increased empathy
- Greater self esteem
- Better relationships with parents & peers
- Increased capacity to handle emotions more effectively
- Enhanced school readiness

This warm, non-judgmental approach to exploring attachment is practical, kind, scientific, appropriately challenging, and wonderfully gentle.

City of Burnie Brass Band Transition Program

GET BRASSY!

WHAT IS GET BRASSY!?

The City of Burnie Brass Band Transition Program – Get Brassy! is designed for brand new players who would like to learn a brass instrument and young players looking to strengthen their skills.

The twice weekly, 10-week program seeks to ensure that students:

- Develop confidence in reading basic music notation (focussing on the names of notes, key signatures and interpreting rhythms).
- Are able to quickly and independently identify the notes in a piece of music and accurately play these notes on their instrument.
- Learn to play in a small group setting – working cooperatively with others.

WHERE DO YOU REHEARSE?

Rehearsals take place at the City of Burnie Brass Band Rooms which are located at Parsonage Point, West Park, behind the Makers Workshop and close to the Penguin Centre.

Rehearsal sessions will run for 30 minutes. The specific days and times of rehearsals will be confirmed based on the needs and availability of applicants.

WHO CAN JOIN?

The program is FREE to all of our current Development Band members.

In addition, we have five places available for new members who are in Grades 3-6. For new members, we are offering a \$50 half year membership fee.

This cost covers:

- Small group, individualised tuition (all tutors have Working With Vulnerable People Cards)
- Instrument hire for the remainder of the calendar year
- Practice folder and music

WHAT HAPPENS AFTER 10 WEEKS?

On conclusion of the program, new players will be invited to become an official member of the City of Burnie Brass Band and transition to our weekly Tuesday Night Development Band Program. Players will also be invited to swap their P-Cornet for a brass instrument. They will have the opportunity to choose whether they would like to continue with cornet, or move on to one of our other available brass instruments (tenor horn, baritone, euphonium, trombone or tuba).

HOW DO I REGISTER?

Simply call our secretary, Rebecca Wells, on 0437259332 or email burniebrass@gmail.com to express your interest. Rebecca will be able to discuss the program with you further and invite you to attend our **information session at 7pm on Tuesday the 6th July 2021 at our band rooms.**

To become a **successful applicant**, it is important that players are **willing and able to attend Development Band Rehearsals (Tuesday Nights, 7pm-8pm during school terms)** on completion of the “Get Brassy” program.

JUNIOR KEEPER PLAYGROUND

To celebrate National Science Week, we are hosting a 'Junior Keeper Experience' workshop.

Get involved in Science Week by discovering the science behind animal care right in the heart of where it all takes place.

Join us on Saturday 14 August 2021 for a taste of what is involved in working behind the scenes at Wing's Wildlife Park – home to the largest collection of Tasmanian wildlife in Australia.

Our Junior Keeper Experience offers the unique opportunity for children aged 6 to 14 to get hands-on and experience behind the scenes action at Wing's Wildlife Park by engaging with wildlife and the keepers who manage them and assisting with food preparation and maintenance of wildlife enclosures.

Kicking off at 10.30am, the Junior Keeper Experience will give a glimpse into the day to day duties of a wildlife keeper and include interactive learning opportunities such as food preparation and enrichment, animal feeding and cleaning animal enclosures. Tailored information sessions on some of our most interesting Australian wildlife will give plenty of opportunity for questions from inquiring minds. Junior Keepers will break for lunch during the day (lunch is included as part of this experience).

Our vision is to encourage children to improve their knowledge in wildlife conservation and awareness or even consider a career in animal management, care or captive wildlife without the need to leave the North West Coast of Tasmania.

Cost: \$85 per child (includes lunch, hat & sticker).

Payment required at time of booking.

No refunds.

Bookings can be transferred if there is availability on another day.
